Great quality service performed while you work. Feel free to ask us any questions about our service or your vehicle. Your feedback is welcomed.

 <b>Standard Oil Change</b>	3 Months or 3,000 miles (for standard gasoline vehicles)
Includes up to 5 quarts of great quality Service Pro Motor Oil (or equivalent). Please add \$2.75 for each additional quart needed.	
 <b>OE Synthetic Oil Change</b>	6 months or 6,000 plus miles Ideal for vehicles with <b>Oil Life Monitoring Systems.</b>
Includes up to 5 quarts of Amsoil OE 100% Synthetic Motor Oil (or equivalent). Please add \$5.50 for each additional quart needed. Mileage based on manufacturer recommendations.	
 <b>Euro Diesel Oil Change</b>	6 Months or 10,000 miles
Includes Amsoil 100% Synthetic Motor Oil (or equivalent) for some European diesel engines such as the Volkswagen Jetta/Golf/New Beetle TDI.	

## Additional Services

<b>Tire Rotation</b>	Cars and Small SUVs	Trucks and Large SUVs
Recommended every 6,000 to 7,000 miles.	 Front to back exchange of wheels.	 Cross-Rotation of wheels (includes resetting tire pressure on bottom mounted spare).
<b>Service Pro Beam Blades</b>	 Premium beam wiper blades have no metal frame to clog with ice. Standard on most newer vehicles, but available for all.	
<b>Fuel Injector Cleaner</b> Recommended every 3,000 miles.	- Removes gum and varnish buildup to restore lost power and fuel economy. - Suitable for all gasoline and diesel fuels.	Product is <b>placed</b> in the vehicle and includes a <b>reminder label</b> for your next fill up.
<b>Engine Air Filters</b> Recommended every 15,000 miles.	The engine air filter prevents dust and debris from entering the engine. Over time it becomes saturated and can reduce efficiency and power.	
<b>Cabin Air Filters</b> Recommended every 15,000 miles.	Many newer vehicles have an air filter for the interior of the vehicle, just like your home furnace. These filters are designed to remove dust, pollen, mold and bacteria from the air. A saturated filter will reduce efficiency and may introduce allergens into the cabin.	
<b>Miscellaneous Items</b>	Items such as fuel filters, tire repairs, accessory drive belts and light bulbs are quoted on an as needed basis.	

## Additional Products

<b>Amsoil Products</b> We are an authorized dealer for Amsoil products. Please ask for a catalog. <b>Dealer #1921974</b>	 In 1972 AMSOIL developed the first synthetic motor oil in the world to meet American Petroleum Institute service requirements. Currently, the AMSOIL product line includes the finest quality synthetic motor oils, synthetic diesel oils, gear lubes, synthetic greases, industrial lubricants, oil filters, air filters and automotive performance products.
